

Shawna Phillips, CHom

The goals of our Consultation are to:

1. Work together to uncover the symptoms that are individual to you and only you. Homeopathy and Bowenwork® treat the underlying weaknesses and susceptibilities of the individual and not the named disease. A Homeopathic remedy cannot be found for you based on the diagnosis of a disease but instead must be matched to the symptoms that are characteristic of your own unique reaction to your complaints.
2. Shawna Phillips is not a licensed medical professional and does not diagnose or treat diseases in any form. The diagnosis and treatment of disease is solely within the license of the medical profession. IF YOU KNOW OR SUSPECT THAT YOU HAVE A CONDITION WHICH MAY WARRANT THE CARE OF A LICENSED MEDICAL PROFESSIONAL, YOU SHOULD SEE ONE AS SOON AS POSSIBLE.
Homeopathy and Bowenwork are compatible with most orthodox, complementary or alternative medical treatments, so one may, depending upon circumstances, choose to utilize the benefits of more than one discipline. I can suggest certain modalities as being supportive of the homeopathic and/or Bowenwork process. Please ask me for more information on this subject and referrals.
3. Educate you about the holistic view of the healing process so that you can evaluate for yourself how you are progressing with your health.
4. Make it easy for you to acquire the correct Homeopathic remedy and educate you how to use it properly.
5. Uncover if there are any aspects of your life-style that are contributing to your complaints, and, together, find ways to make positive changes where necessary.
6. Increase awareness of your symptoms so you can recognize when you need to come back for follow-up treatment, or for treatment of an acute condition.
7. Homeopathy and Bowenwork is considered an alternative method and is not a substitute for medical treatment. The information and therapy offered does not include a diagnosis. Homeopathic remedies are available OTC (over the counter) and have been FDA approved. Shawna Phillips can provide information and education about homeopathy and homeopathic remedies.

I, _____ do hereby accept full responsibility for any actions taken by myself or my child concerning any foods, homeopathic remedies, herbs, supplements, exercises and educational therapies I take while seeing Shawna Phillips. I hereby release Shawna Phillips from any liability resulting in any possible damages or loss during our association.

I have read and understand the above information and I assume full responsibility for my choice to consult a trained Homeopathic advisor.
